

2026

Early announcement for

DAE-BRNS 18th Biennial

Trombay Symposium on Radiation and Photochemistry (TSRP-2026)

January 6-10, 2026

**Venue : DAE Convention Centre, Anushaktinagar
Bhabha Atomic Research Centre,
Mumbai, INDIA**

Organised by

**Bhabha Atomic Research Centre, Mumbai, INDIA
&
Indian Society for Radiation and Photochemical Sciences**

Sponsored by

**Board of Research in Nuclear Sciences
Department of Atomic Energy, Government of India**

The 18th Biennial Trombay Symposium on Radiation and Photochemistry (TSRP-2026), organised by Bhabha Atomic Research Centre under the auspices of the Indian Society for Radiation and Photochemical Sciences (ISRAPS) will be held at DAE Convention Centre, Anushaktinagar, Mumbai, INDIA during January 6-10, 2026. TSRP will provide a single platform for discussions on the recent progress in both Radiation & Photochemical research. The symposium will bring together not only the experts from around the world but also young researchers in both the areas, yielding fruitful discussions and setting the course of future direction. The proceedings of the symposium will constitute keynote addresses, plenary lectures, invited talks and poster presentation of contributory papers.

Scientific Scope

- Fundamentals and Applications of Radiation & Photochemistry
- Radiation Chemistry under Extreme Conditions
- Synchrotron Radiation, Laser Driven Accelerators, Pico & Femto Second Pulse Radiolysis
- Radiation Processing of Food & Polymers and other materials
- Industrial Applications of Radiation Chemistry
- Radiation & Photochemistry in Biomolecular Systems
- Radiation Sensors & Detectors
- Radiation & Photochemistry in Heterogeneous Media, Ionic liquids
- Spectroscopy and Dynamics in Nanomaterials and at Interfaces
- Photochemistry in Supramolecular Assemblies
- Ultrafast Spectroscopy & Dynamics of Photoinduced Chemical Processes
- Single Molecule Spectroscopy and Fluorescence Microscopy
- Gas Phase Reaction Kinetics, Dynamics and Atmospheric Photochemistry
- Theoretical Aspects of Radiation & Photochemistry
- Radiation induced Alterations in Materials
- Radiation in Health Care and Energy

Address for correspondence:

Chairman : Dr. A. C. Bhasikuttan

Convener : Dr. A. Barik

Secretaries : Dr. R. Ghosh & Dr. Juby K. A.

Treasurer : Dr. A. Saha

Convener, TSRP-2026
Radiation & Photochemistry Division
Bhabha Atomic Research Centre
Trombay, Mumbai 400 085, INDIA.
